NOTICE

For the first time since the formation of the British North America Philatelic Society in 1943, a need has risen for additional funds, and the Board of Governors, exercising the power that was granted it at BNAPEX-57, has voted to increase the dues for 1959 from \$3.00 to \$4.00. At the same time, the cost of a Life Membership has been increased from \$50 to \$75 to keep the same proportion.

The reason for the increase in dues can be traced directly to the increased cost of printing TOPICS. Up until now, increased revenue from new members has offset increases in cost but a rather substantial increase is in the offing for the early part of next year and the only alternative left to the Board was to vote an increase in the dues.

DANIEL C. MEYERSON, Chairman.

treated. Interesting varieties, and I'm glad I stopped by in Montreal.

We are in receipt of a letter from Dr. C. W. Hollingsworth (BNAPS 896), the honorary secretary of the CPS of G.B. Unfortunately Dr. Hollingsworth is not a Newfoundland collector but he does collect slogans and among his collection of Newfoundland slogans he has three changes of use from those listed in our article in the

January 1958 issue of TOPICS. On Slogan 11 the doctor shows record of use from April 29, 1929 to sometime in March 1934, whereas the previous listing was from July 18, 1929 to February 12, 1934. Then on Slogan 15, which we listed at January 18, 1938, Dr. Hollingsworth can show an earlier date of use—December 9, 1937. I'm sure that all the collectors of Newfoundland slogans will thank the doctor for this information. ★

A MERRY CHRISTMAS AND
A HAPPY NEW YEAR!
