

In Memorium

The news of the sudden passing of Daniel C. Meyerson on September the 8th at the comparatively early age of fifty-three was received with great regret.

Dan was one of the founders of our Society and since its inception he had been untiring in his efforts to make it one of the best philatelic societies in the world.

Together with his brother Bill, who died some years ago he built an outstanding collection of the stamps of Newfoundland and since Bill's death Dan continued to augment it until, today, the collection is one of the best in its field.

In addition to being a Fellow of the C.P.S. of Great Britain and a member of numerous philatelic societies, Dan has been Chairman of our Board of Governors for many years.

The deepest sympathy is extended to his family in their great loss.

C. M. JEPHCOTT, President
